

## Contract to Create or Change a Supervising Committee

If this changes the membership or chair of an existing committee, list all members and chair of the previous committee below (add more lines if needed):

Previous Chair: \_\_\_\_\_

Previous Member #2: \_\_\_\_\_

Previous Member #3: \_\_\_\_\_

### Contract and Signatures (add more lines for additional members)

I will respect the advice of the committee below and communicate with them on a regular basis. I will keep them informed of any changes in my plans regarding research directions and my intentions to complete a PhD. I will meet with the committee at least once each year (by July 15), and more often if significant changes occur or issues arise. In addition, I recognize that it is my responsibility to find a primary research advisor, and that joining this committee is not in itself a commitment by the faculty below to take on this role.

We, the undersigned, agree to actively advise the above student in their pursuit of a physics PhD. We will meet with the student at least once each year, and more often if needed. We will consult with the Faculty Graduate Advisor as needed and will keep him/her informed of any concerns that arise. However, this is not in itself a commitment to become the student's primary research advisor.
